Home buyers report damp problems

https://www.manchesterdampproofing.co.uk/areas-covered/damp-proofing-bolton/

Damp proof is a part of all new buildings however, this had not been forever the situation with older ones. A humid proof course does breakdown more than a period of time and eventually needs replacing. Properties over Eighty years old are particularly prone to rising damp.Damaged whipped cream rising damp in an existing property is a remedial damp proof course.
