Cute VDay Snail Mail | Love Ya Bean It

<https://loveyabeanit.com/2014/02/11/cute-vday-snail-mail/>

David and I like Valentine's Day. I know all couples are different on this one. Sure, it's just another day, but for some reason, I've always enjoyed Valentines Day. It's always a "little" holiday for us. We don't do anything big or expensive. It can just be a card or flowers, something small to justÂ,Â~Ã,Â!
