### graphologie

[https://www.youtube.com/watch?v=wrsin\\_xL63Q](https://www.youtube.com/watch?v=wrsin_xL63Q)

Graphologie is the study of an individual's personality traits through a close assessment of the handwriting. The pattern, form, spaces, flow, quality and the overall consistency of the handwriting is closely studied as a part of Analyse Graphologique is to make deductions of the person's inherent nature.
