### how to get free microsoft points

<https://www.youtube.com/watch?v=y a rL3JMM1f8>

Using this tool you can generate unlimited free Microsoft points codes, each one having a value of 6000 Points. You can redeem your codes on live.xbox.com or directly on your xbox 360 console. We try to improve this tool by updating its algorithm and database each month. These microsoft points codes are generated using an awesome pattern matching algorithm, able to guess new working codes based on our training set database.
