Magic: the Gathering music playlist

<https://lovelydarkband.wordpress.com/2014/02/17/magic-the-gathering-music-playlist/>

For music fans who are also players of the card game Magic: the Gathering there is a modern psych folk-rock band making some waves and naming not just their new record but also their song titles after MTG card names. They're called Lovely Dark and their new record "Into The Roil" is a must listen.
