Ornamental Wonderful Art Paintings

<https://personal.crocodoc.com/hNiK3DM>

People who dabble in ornamental good arts usually consider offense for the idea that their endeavor is less important in comparison to the "fine arts." Along with the good arts, they say, there is not less than some purpose guiding it, in contrast to the good arts (specifically, painting, drawing, photography, and large-scale sculpture), which only purpose is to be looked at.
