Ornamental Fantastic Art Paintings

<https://lib.rario.us/user/jasontime5/>

People who dabble in ornamental great arts often consider offense for the notion that their endeavor is less significant compared to the "fine arts." With the great arts, they say, there's a minimum of some function guiding it, compared with the great arts (particularly, painting, drawing, photography, and large-scale sculpture), which only operate should be to be appeared at.
