### cute retractable id badge holder

<https://badgeholderclip.weebly.com/>

The retractable badge holder is becoming more and more popular in the corporate world. Many employed people prefer to wear a retractable badge holder as their kind of id. The holder facilitates a simpler way to enter specific office locations, clock in and out of work places and note presence of an employee, or even release documents to employees.

The retractable badge holder is becoming more and more popular in the corporate world. Many employed people prefer to wear a retractable badge holder as their kind of id. The holder facilitates a simpler way to enter specific office locations, clock in and out of work places and note presence of an employee, or even release documents to employees.
