Paul McKenna

<https://www.dailymail.co.uk/news/article-3174732/Paul-McKenna-s-former-fiancee-claims-hypnotist-cocaine-prescription-pill-addict-65million-court-battle.html>

He is the celebrity self-help guru who has built a reported £65 million fortune by helping stars such as Robbie Williams and Russell Brand conquer their demons. But now Paul McKenna “ the hypnotist who has helped millions regain their physical and mental health “ stands accused of being trapped in a downward spiral of addictions to cocaine, alcohol and prescription pills.
