Reading Rescuers, Inc. provides students and families with the highest quality one-on-one online reading instruction. We offer online reading tutoring to both students who need to improve their skills as well as to students who need reading enrichment. We accomplish this by assessing each student`s needs, identifying future educational goals for the student, and developing an individualized education plan for each student. Our mission is to execute excellent reading instruction via an easy-to-navigate online video-conferencing platform.
