7 Technology Trends to Follow in 2015

<https://www.ideaconnection.com/innovation-articles/7-invention-trends-to-follow-in-2015-00701.html>

It can be difficult to identify new fads before they become old news. Read the technology section of newspapers, set a Google alert for "invention" and "innovation," and pay attention to what opinion leaders are saying. By using these tactics, we've identified some of the innovation trends for 2015.
