How To Patent An Idea: Protect Your Product

<https://blogs.ubc.ca/onlinemarketing/patent-an-idea-how-can-you-protect-your-invention-idea/>

Like any other legal document, filing for a patent requires you to use formal and complex law terminology throughout. It is advised that you hire a lawyer to take over all the technical Jargon for you. A patent lawyer will be able to help you cover all the key points in your patent that you may have otherwise missed.
