Marketing For Investment Managers

https://www.marketfinancial.co.uk/

The intention of the Collins Stewart Uk Catalyst Fund is to outperform the Uk inventory marketplace by determining and controlling a focused portfolio of high-conviction' shares shares which the expense manager has determined as getting mis-priced in relation to their fundamental value.

The intention of the Collins Stewart Uk Catalyst Fund is to outperform the Uk inventory marketplace by determining and controlling a focused portfolio of high-conviction' shares shares which the expense manager has determined as getting mis-priced in relation to their fundamental value.
